Enjoy the Experience

The Advanced Diver course is the first step beyond your Open Water Diver certification and offers different experience and training options, that range from simple introductions to underwater activities to more challenging experiences. Whether it is the extra depth you are trying to achieve, or simply a well structured and supervised means to gain additional experience, this course is for you. The Advanced Diver Course enables you to dive up to 30m (21m for a junior qualification), allowing you to experience deeper dive sites on 2 Mile Reef, as well as the further reefs like Snappers (6 Mile), 7 Mile Reef and 9 Mile Reef. These sites are truly world class and a favorite of many advanced divers.

Want to become a Rescue Diver or PADI professional? What about more specialty courses? The PADI Advanced Diver course takes you one more step closer to your dream...

COURSE INFORMATION

The PADI Advanced Diver certification:

The course is comprised of 5 adventure dives. There are two core (compulsory) dives which are:

- Deep - You gain experience in diving up to 30m
- Underwater Navigation - You make your way using a compass and natural features to navigate underwater

The choice of adventure dives we offer at Coral Divers are:

- | | |
|-----------------------------|-----------------------|
| AWARE – Fish Identification | Underwater Naturalist |
| Peak Performance Buoyancy | Drift Dive |
| Search & Recovery Dive | Boat Dive |
| Multi – Level Dive | |

There is no better location for doing your Advanced!

Course Structure

The Advanced course is divided into **Knowledge Development and Practical Application**. The knowledge development section consists of independent study of the relevant chapter and completing the 5 knowledge reviews (one for each of the chosen dives). There is no written exam, your instructor will review this with you and answer any questions you may have. PADI manuals are digital & accessed via the PADI App. Why not get a head start on your independent study before you arrive? This could help reduce the length of the course, giving you more chances to dive! Ask us for more details. At an additional cost, you can purchase a PADI Advanced Diver Premium Product to complete and mark the adventure dive knowledge reviews online. Ask us for more details.

The Practical Application section consists of five dives that were completed in the knowledge development section. These dives are conducted under the supervision of a PADI Instructor and allow for the best possible experience on these pristine reefs. This course allows you to explore different reefs in Sodwana Bay, that would normally not have been accessible to you as an Open Water Diver because of the depth restriction. Your deep dive will be conducted to 30m provided you are older than 15 years, otherwise children aged 12 – 14 years will dive to a maximum depth of 21m..

To qualify for the PADI Advanced Diver course, you must:

- Be certified as a PADI (junior) Open Water Diver or have equivalent rating. "Equivalent" is defined as proof of an entry – level scuba certification with a minimum of four scuba – training dives.
- Be 12 years of age or older. Students under the age of 15 may obtain a PADI Junior Advanced Open Water certification. Anyone aged under 18 will require a parent/guardian to complete and sign some paperwork.
- Complete the PADI Medical Statement on this document (pages 6-8) and if you answer "yes" to any of the questions acquire a clearance for diving signed by a physician attesting to fitness to dive. The medical clearance must be current within the previous 12 months. The physician signing the form cannot be the individual.

IMPORTANT INFORMATION

INCLUDES

Free accommodation for 4 nights in a Safari Tent. Our Safari Tents are basic budget accommodation and you need to bring your own bedding. You may upgrade to a Standard Cabin or Ensuite Cabin if you prefer. *Please enquire as to the surcharge for this. Full equipment hire is included in the course price, as well as the PADI Advanced Diver online manual and your PADI certification (digital card).

Catering is not included, but can be provided on a dinner and breakfast basis if you wish to add this. Please note that our course price does not include the iSimangaliso Park Gate Entry fee, the daily KZN Wildlife fee, or the MPA permit for divers. Our Reservations staff can assist you with a quote covering these fees.

EXTRA OPTIONS

Once you have completed your Advanced Diver course, you are eligible to continue directly on to your **Rescue Diver** course if you like. This will provide you with an increased skill set and increase your competence as a diver. However, the course takes 3 days, so if you are looking for shorter alternatives, we recommend the PADI Specialty courses available.

Your best options are:

PADI Enriched Air Diver (Nitrox)

Once you have completed your Open Water Diver course, you can look at becoming Nitrox qualified with PADI's most popular specialty course. As you learn in the Open Water Diver course, nitrogen absorption is one of the things that limits our ability to explore underwater. Enriched Air Nitrox allows you to:

- Extend your bottom time (how much time you can spend underwater)
- Shorten surface intervals (time you wait between dives)
- Dive deeper on repetitive dives (when doing more than one dive a day)

If you are planning on doing a Liveaboard Holiday, then this is definitely the specialty course for you! Duration is 1 day.

PADI Underwater Naturalist

This 1 day course is a great option for learning more about the underwater environment. If you are fascinated by what you'll see, then you'll love this course which includes 2 nights and 2 dives.

FREQUENTLY ASKED QUESTIONS

Where is Coral Divers?

We are situated inside the iSimangaliso Wetland Park in northern KwaZulu-Natal. We are about a 4,5hr drive north of Durban and a 9hr drive from Johannesburg. Maps and directions are to be found on our website. **NB: The only tarred road route is via the town of Hluhluwe on the R22.** Many GPS and Google Maps show that turning off the N2 towards Jozini, as the route to take. Please **DO NOT** take this route, as it is heavily congested in Jozini and the road is in a bad state.

Do we get time off?

The first two days are pretty full, but you will have short breaks in between. The last days are less busy. Diving takes place in the morning, so you would have the afternoons off on the day you dive.

What is the accommodation like?

Your course includes FREE tent accommodation for 4 nights. You are most welcome to extend this, or upgrade to one of our cabins if you prefer. The rate for the upgrade is the difference in price between a tent and cabin depending on which season you book in. Extra nights are charged at the full current room rate. Each tent has twin beds with mattresses, but you will need to either bring your own bedding, or pay R100 refundable deposit for bedding. You will be able to collect this at our reception. There is an electric light, but no plug points in the tent. **NB: If you prefer not to take the offer of a FREE tent, the course price will remain the same.**

What is the restaurant menu like?

Diving can leave you with an appetite, so we are sure you will enjoy the varied menu available at our licensed restaurant. You can opt for our daily buffet if you would like to have dinner & breakfast included. **Please advise us of any special dietary requirement before you arrive.

What shops are in the area?

There is a small Spar Superette within the park (1km from Coral) where you can buy groceries, snacks and amenities. There is an ATM to draw money here too. Alternatively, Mbazwana (15km from Coral) has a large Spar & PEP. There is also a doctor, hardware store and Post Office.

Can I use a 2x4 vehicle to get there?

Most cars make it to Sodwana easily (from a 4x4 to a Chevy Spark). However, please note that you are in a marine reserve with sandy roads inside the park, so avoid really low suspensions or very hard tyres.

How old must I be?

Anyone over the age of 10 years may do the course. The junior rating is for ages 10-14 and from 15 and up, the full PADI rating is given.

Do I need a medical?

Diving is about having fun safely, so we need to ensure that everyone will run no risks. You are required to fill in the Dive Medical form, truthfully selecting the answers to questions on your health. If your answer raises concerns, you will need to do the PADI medical check-up at your doctor. The doctor must sign and state that you are 'fit to scuba dive'. Please bring the signed medical with you. Please see the medical questions and form on page 6.

Diver Medical | Participant Questionnaire

Recreational scuba diving and freediving requires good physical and mental health. There are a few medical conditions which can be hazardous while diving, listed below. Those who have, or are predisposed to, any of these conditions, should be evaluated by a physician. This Diver Medical Participant Questionnaire provides a basis to determine if you should seek out that evaluation. If you have any concerns about your diving fitness not represented on this form, consult with your physician before diving. If you are feeling ill, avoid diving. If you think you may have a contagious disease, protect yourself and others by not participating in dive training and/or dive activities. References to "diving" on this form encompass both recreational scuba diving and freediving. This form is principally designed as an initial medical screen for new divers, but is also appropriate for divers taking continuing education. For your safety, and that of others who may dive with you, answer all questions honestly.

Directions

Complete this questionnaire as a prerequisite to a recreational scuba diving or freediving course.

Note to women: If you are pregnant, or attempting to become pregnant, do not dive.

1	I have had problems with my lungs, breathing, heart and/or blood affecting my normal physical or mental performance.	Yes <input type="checkbox"/> Go to box A	No <input type="checkbox"/>
2	I am over 45 years of age.	Yes <input type="checkbox"/> Go to box B	No <input type="checkbox"/>
3	I struggle to perform moderate exercise (for example, walk 1.6 kilometer/one mile in 14 minutes or swim 200 meters/yards without resting), OR I have been unable to participate in a normal physical activity due to fitness or health reasons within the past 12 months.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
4	I have had problems with my eyes, ears, or nasal passages/sinuses.	Yes <input type="checkbox"/> Go to box C	No <input type="checkbox"/>
5	I have had surgery within the last 12 months, OR I have ongoing problems related to past surgery.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
6	I have lost consciousness, had migraine headaches, seizures, stroke, significant head injury, or suffer from persistent neurologic injury or disease.	Yes <input type="checkbox"/> Go to box D	No <input type="checkbox"/>
7	I am currently undergoing treatment (or have required treatment within the last five years) for psychological problems, personality disorder, panic attacks, or an addiction to drugs or alcohol; or, I have been diagnosed with a learning or developmental disability.	Yes <input type="checkbox"/> Go to box E	No <input type="checkbox"/>
8	I have had back problems, hernia, ulcers, or diabetes.	Yes <input type="checkbox"/> Go to box F	No <input type="checkbox"/>
9	I have had stomach or intestine problems, including recent diarrhea.	Yes <input type="checkbox"/> Go to box G	No <input type="checkbox"/>
10	I am taking prescription medications (with the exception of birth control or anti-malarial drugs other than mefloquine (Lariam).	Yes <input type="checkbox"/> *	No <input type="checkbox"/>

Participant Signature

If you answered **NO** to all 10 questions above, a medical evaluation is not required. Please read and agree to the participant statement below by signing and dating it.

Participant Statement: I have answered all questions honestly, and understand that I accept responsibility for any consequences resulting from any questions I may have answered inaccurately or for my failure to disclose any existing or past health conditions.

Participant Signature (or, if a minor, participant's parent/guardian signature required).

Date (dd/mm/yyyy)

Participant Name (Print)

Birthdate (dd/mm/yyyy)

Instructor Name (Print)

Facility Name (Print)

* If you answered **YES** to questions 3, 5 or 10 above **OR** to any of the questions on page 2, please read and agree to the statement above by signing and dating it **AND take all three pages of this form (Participant Questionnaire and the Physician's Evaluation Form) to your physician** for a medical evaluation. Participation in a diving course requires your physician's approval.

Diver Medical | Participant Questionnaire Continued

BOX A – I HAVE/HAVE HAD:		
Chest surgery, heart surgery, heart valve surgery, an implantable medical device (eg, stent, pacemaker, neurostimulator), pneumothorax, and/or chronic lung disease.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Asthma, wheezing, severe allergies, hay fever or congested airways within the last 12 months that limits my physical activity/exercise.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
A problem or illness involving my heart such as: angina, chest pain on exertion, heart failure, immersion pulmonary edema, heart attack or stroke, OR am taking medication for any heart condition.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Recurrent bronchitis and currently coughing within the past 12 months, OR have been diagnosed with emphysema.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Symptoms affecting my lungs, breathing, heart and/or blood in the last 30 days that impair my physical or mental performance.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
BOX B – I AM OVER 45 YEARS OF AGE AND:		
I currently smoke or inhale nicotine by other means.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
I have a high cholesterol level.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
I have high blood pressure.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
I have had a close blood relative die suddenly or of cardiac disease or stroke before the age of 50, OR have a family history of heart disease before age 50 (including abnormal heart rhythms, coronary artery disease or cardiomyopathy).	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
BOX C – I HAVE/HAVE HAD:		
Sinus surgery within the last 6 months.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Ear disease or ear surgery, hearing loss, or problems with balance.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Recurrent sinusitis within the past 12 months.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Eye surgery within the past 3 months.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
BOX D – I HAVE/HAVE HAD:		
Head injury with loss of consciousness within the past 5 years.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Persistent neurologic injury or disease.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Recurring migraine headaches within the past 12 months, or take medications to prevent them.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Blackouts or fainting (full/partial loss of consciousness) within the last 5 years.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Epilepsy, seizures, or convulsions, OR take medications to prevent them.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
BOX E – I HAVE/HAVE HAD:		
Behavioral health, mental or psychological problems requiring medical/psychiatric treatment.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Major depression, suicidal ideation, panic attacks, uncontrolled bipolar disorder requiring medication/psychiatric treatment.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Been diagnosed with a mental health condition or a learning/developmental disorder that requires ongoing care or special accommodation.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
An addiction to drugs or alcohol requiring treatment within the last 5 years.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
BOX F – I HAVE/HAVE HAD:		
Recurrent back problems in the last 6 months that limit my everyday activity.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Back or spinal surgery within the last 12 months.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Diabetes, either drug or diet controlled, OR gestational diabetes within the last 12 months.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
An uncorrected hernia that limits my physical abilities.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Active or untreated ulcers, problem wounds, or ulcer surgery within the last 6 months.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
BOX G – I HAVE HAD:		
Ostomy surgery and do not have medical clearance to swim or engage in physical activity.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Dehydration requiring medical intervention within the last 7 days.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Active or untreated stomach or intestinal ulcers or ulcer surgery within the last 6 months.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Frequent heartburn, regurgitation, or gastroesophageal reflux disease (GERD).	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Active or uncontrolled ulcerative colitis or Crohn's disease.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>
Bariatric surgery within the last 12 months.	Yes <input type="checkbox"/> *	No <input type="checkbox"/>

Diver Medical | Medical Examiner's Evaluation Form

Participant Name

Birthdate

(Print)

Date (dd/mm/yyyy)

The above-named person requests your opinion of his/her medical suitability to participate in recreational scuba diving or freediving ~~training activity. Please visit~~ [fairmedical.com](#) for more information on medical conditions as they relate to diving. Review the areas relevant to your patient as part of your evaluation.

Evaluation Result

Approved – I find no conditions that I consider incompatible with recreational scuba diving or freediving.

Not approved – I find conditions that I consider incompatible with recreational scuba diving or freediving.
